Dear Weavers,

Jane Stafford Textiles is a mail order supplier of yarns, kits, weaving and spinning equipment, and books for weavers. We are located on Salt Spring Island, the largest of B.C.'s Gulf Islands. Our showroom is housed in our **weaving and teaching studio at 142 Richard Flack Road on Salt Spring Island.**

We offer wonderful workshops which you can learn about on our website. Our **B&B** has been a roaring success, so if you wish to stay and study, please just let contact us about our availability for your personal or group retreats and Guild events.

What's New

We are opening our on-line shopping cart this year with all our yarns, equipment and books available up on the site for you to purchase anytime. As always we appreciate your comments and suggestions on our website.

Prices at Louet and Schacht have gone down again this year. Most yarns stayed the same but the weaving and spinning accessories have gone down. Many of our book prices are down so it is a good time to buy your favourite titles.

If there is anything you don't see listed on these pages, call us!

Happy Weaving!

Jane

Yarns

You may want to purchase individual sample cards (or a complete set of 15) which contain the actual yarn samples found on the following pages. The most effective way to make choices is to have the actual samples in your hand. All cards include suggested weaving setts for plain weave, twill and supplemental wefts. To order sample cards, see our order form. Available for purchase:

Individual sample cards: **\$3.00** CAN. Full set of sample yarns. Over 500 colours! **\$35.00** CAN
